Westerly High's Eleven Defeated by Convincing Score Game to Be Played on Cranberry Lot Wednesday Afternoon-Spencer Makes 90 Yard Run and Saves His Team a Blank Score.

Captain McCormick and the Academy football team won their football soon after the next kickoff, but for the season on Wednesday rest of the period neither side threat-afternoon on the home campus, when they eliminated their last remaining by the control of the period they eliminated their last remaining livals for the championship, Westerly High school's eleven, by defeating the visitors in convincing form 11 to 6. Spencer, the fleet footed halfback of the Rhode Islanders, saved his team from a blank score by a thrilling 90 yard run after catching McCormick's telek-off in the middle of the third period. When downed by Jimmy Murray, after a plucky stern chase for almost the length of the field, Westerly had only nine yards to go, which they managed to pull off in three downs against the Academy's stiff defense, and Quarno see

The Academy scored in the opening The Academy scored in the opening minutes of the game, when Murray recovered a fumbled punt by Westerly and fell across the line with the ball. Again at the opening of the fourth period the Academy scored on a fake delayed forward pass, the prettiest trick play of the game. Swan carrying the ball over from the 25 yard line. Captain McCormick kicked this goal, but missed the first chance.

Swan also scored another touchdown

Swan also scored another touchdown in the first period, after catching a forward pass from the enemy. But forward pass from the enemy. But the score was not allowed through a move on the part of Umpire Larkin, which would have been an amusing novelty in officialing if it had not been so fatal to fair play. Keeping his eye on Herbert, who lined up plainly off-wide. Umpire Larkin allowed the ball to be snapped with the player still off-wide, and then tooted his whistle, so that the Academy's score was nullified. The same official had previously been in difficulties over where a goal could be kicked from, which had to be show-

one man by the arm to turn him back where the play was going on.

With the high wind or against it. Smith at the booting end and Swan at the recovering end of punts worked to-sether to perfection. Lawson and Elliot; got through for some nice tackles at critical times, and the two Academy ends Gebrath and Smith, cheked off almost every play aimed at the flanks of the line. Quarterback Howard range played a strong defensive game, but them the ball frequently. Doyle at end put up a clever game, and Spencer showed a flash of individual brilliancy in the fourth period. Fullback Dower earned an unenviable reputation for rough play, which cost his team 15 yards.

First Period. The Academy took the north end the field with the wind in their fav and Howard's kickoff was run back and howards kicked was run back yards by McCormick. After two rus es for short gains Smith put the be past midfield with a punt that sail on the wind about 40 yards. Wester almost at once lost the bell on a fur ble. The Academy attack went ball but Smith lifted another kick that se the ball spinning through sever Westerly hands till Jimmy Murray for an Academy touchdown rig en the chalk mark. Captain McComick's try at goal went to one side the bars. Score, Academy 5, Wester High 9.

Howard opened the second period with a punt, which Swan ran back 40 yards. Westerly did good defensive work on its 30 yard line, taking the ball on downs. Swan intercepted a forward pass meant for Doyle, and Captain McCormick shot two forward passes in succession to Dutchy Gebrath for good gains, but the Academy lost the ball on a fumble 10 yards from the Westerly goal, and there was no scoring in the remainder of the period

Westerly played hard and fast at the opening of the third period, and Gebrath was knocked out temporarily in making a tackle. Doyle gained 30 yards on a forward pass before Mur-ray downed him. Spencer put on 20 and was run outside by Swan. How-ard kicked over the Academy goal line, Swan getting the ball, which was brought out to the 25 yard line for scrimmage. Westerly took the ball on downs and tried a trick play in which the whole line spread wide apart, leaving the center standing alone with the ball. He wifirled and shot it sideways to a man standing a few yards away and a little to the rear. The play was good for 10 yards. Time for this half ended with the ball in Academy's hands on Westerly's 45 yard line.

The general decline in prices of meat Telephone 901

The general decline in prices of meat all over the country came in for a great deal of attention, both by reason of its direct bearing on money market affairs and its broader influence on the wages question and public discontent and unrest. Financial sentiment has not falled to be impressed with the extent of the discontent implied by the election results. The high cost of living is given large responsibility for the public feeling. In a more restricted financial sense, however, the high prices of commodities are held largely responsible for the great expansion of banking credits of interior banks which is shown by recent returns to the controller of the currency. The amount of credits required for commercial transactions is proportionate to the prices of commodities and

A large and enthusiastic crowd saw Young Gotch of this city win new laurels Wednesday evening at the Windham Athletic ciub by winning a handicap match from Bill Chilns of Central Village, middleweight champion of Rhode Island and Connecticut, Collins failing to throw Gotch twice within an hour. The match was a fast, clever exhibition and Collins showed great imhibition and Collins showed great im-provement in form over his work of last season. He succeeded in throwing Gotch after 35 minutes of the hardest work he has ever had here, on a back hammerlock and hody scissors. Young Gotch worried him greatly during the remarkable eleverness that he has exhibited in his past matches prevented his much heavier and older opponent from obtaining another fall from him. After the match Gotch challenged Collins to a finish match catch as earth tins to a finish match, catch as eatch can style, if Collins would agree to make 145 pounds, he himself agreeing to weigh in at 155. "No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment. I continued with Cuticura Soap, ointment and Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. Mrs. Altie Etson, 93 Inn Road, Battle Creek, Mich., Oct. 16, 1909."
